

1754 E. Clark Rd.
Lansing, MI 48906

Blended Learning Academies is seeking highly qualified Secondary Certified Teachers for a Credit Recovery Charter High School located in Lansing serving the needs of the tri-county area targeting at-risk and dropout students.

General Purpose

To plan, organize and implement appropriate instructional programs in a project-based, 1:1, blended learning environment that guides and encourages students to develop and fulfill their academic potential.

Main Job Tasks and Responsibilities

- plan, prepare and deliver instructional activities that facilitate active learning experiences in a blended learning, project based environment
- develop schemes of work and lesson plans to support a 1-to-1 technology learning environment
- establish and communicate clear objectives for all learning activities
- prepare learning environment for educational activities
- provide a variety of learning materials and resources for use in educational activities
- identify and select different instructional resources and methods to meet students' varying needs
- instruct and monitor students in the use of learning materials and equipment
- use relevant technology to support instruction
- observe and evaluate student's performance and development
- assign and grade coursework, homework, tests and assignments
- provide appropriate feedback on work
- encourage and monitor the progress of individual students
- maintain accurate and complete records of students' progress and development

- update all necessary records accurately and completely as required by laws, district policies and school regulations
- prepare required reports on students and activities
- manage student behavior in the classroom by establishing and enforcing rules and procedures
- maintain discipline in accordance with the rules and disciplinary systems of the school
- apply appropriate disciplinary measures where necessary
- perform certain duties including but not limited to student support, counseling students with academic problems and providing student encouragement
- participate in extracurricular activities such as social activities, sporting activities, clubs and student organizations
- participate in department and school meetings, parent meetings
- use appropriate evaluation measures determined by the school to assess data to increase student learning and achievement
- communicate necessary information regularly to students, colleagues and parents regarding student progress and student needs
- keep up to date with developments in subject area, teaching resources and methods and make relevant changes to instructional plans and activities

Education and Experience

- Bachelors degree or higher from an accredited institution
- Meet professional teacher education requirements of school, district, state
- Single subject teaching credential or certification if teaching a specialized subject
- State certification
- Relevant teaching experience
- Knowledge of relevant technology
- Experience with Project Based Learning preferred but not necessary
